

Mizuho wins two 2016 GlobalCapital Corporate Bond Awards

26 May 2016: We are delighted to announce that Mizuho collected two awards at the GlobalCapital Awards Dinner, held on 25 May 2016 at the Guildhall in London. We received awards for **Most Improved Corporate Debt Capital Markets Bank** and **Most Impressive Bank for Corporate Debt Capital Markets in Yen**.

The GlobalCapital awards celebrate the achievements of both issuers and capital market bankers over the last 12 months. The awards are the result of an extensive market poll, with banks voting for their preferred issuers and borrowers and rewarding those banks they consider to have performed the best.
