

Mizuho named Competitive Strategy Company 2017

May 2017: Mizuho Financial Group, Inc. was recently selected by Japan's Ministry of Economy, Trade and Industry (METI) and the Tokyo Stock Exchange (TSE) as Competitive IT Strategy Company 2017 for the second consecutive year.

The award recognises Mizuho's overall strength in financial technology innovation through the adoption of cutting-edge technologies including BigData, AI, blockchain and robotics.

The Competitive IT Strategy Company is a programme in which METI and TSE recognise listed entities that have shown particular strength and leadership in IT-driven business model reform. The companies are assessed on proactive IT implementation that enhances profitability and productivity leading to corporate value and a competitive edge.
