

## Triggering Article 50

We realise the importance of being well prepared in the case of a hard Brexit scenario and as such are undertaking an impact analysis of the possible effects a 'hard' Brexit could have on our various business lines and revenues, as well as a jurisdiction analysis. We continue to monitor Brexit-related actions of the relevant authorities in the UK and EU member states, and its possible implications on our business. Please visit [mizuho-emea.com](https://www.mizuho-emea.com) regularly for further updates.
